

MTCC COMMUNITY FAIR

The inaugural Mother Teresa Catholic College Community Fair was held on March 22nd 2019. The fair, which was held on school grounds, was attended by over 4000 patrons. There was something for everyone including market stalls, carnival rides, food trucks and plenty of free events. Kids enjoyed free face painting, animal farm cuddles and a brilliant "Around the World Trail" while Mum & Dad indulged in delectable food from a variety of food vendors.

The fair, run by a 12-strong committee and numerous volunteers, focused strongly on celebrating Harmony Week and the multicultural aspect of our school and local community. The stage line-up boasted a huge variety of acts from Irish Dancers to a New Zealand Hakka group and everything in between finishing up with an impromptu disco for the kids.

The various market stalls were well attended on the night as were the interactive community displays from our local volunteer firies and members from the Australian Defence Force. The evening cumulated with a sensational fire works display - a first for Baldvis - and enjoyed by all who witnessed it. We can't wait to come back bigger and better in 2020.
