

Why Join Your P&F?

- Get to know and build a **relationship** with your Principal and School Leadership Team, and School Advisory Council.
- Meet and get to know other parents/carers in your child's school, this is important at both primary and secondary school and helps you to develop **networks and friendships**.
- Keep abreast of educational changes particularly those pertaining to your child's learning and which will assist in being **positively engaged** with your child's journey through school.
- Be part of a **decision making** group within your school, who have the opportunity to influence outcomes.
- Assist in building a **positive relationship** between your school, parents and parish, and the wider school community by organising events and activities that bring people together.
- Build your own capacity as a **parent leader** while sharing your knowledge or expertise.
- Identify where you can give back to the school community through **service and volunteering**, and be a positive role model for your children.
- Gain new **skills and confidence**, which can also be good for your resume.
